Dear Council Participants,

The next ENCHIA meeting is Wednesday, August 17th from 9AM to 11:30AM at **25 Van Ness, suite 330A**. [Please make note of the location change.](#)

At this meeting the City Planning Department will update us on the various elements of the Eastern Neighborhood re-zoning process, including the EIR, socioeconomic analysis, and interim and zoning controls. We'll then brainstorm and discuss strategies for healthier public infrastructure and environmental stewardship in San Francisco (see attached for draft reports of data and strategies).

We'll also be reviewing our plan for getting more community input and data into the ENCHIA process, discussing the ENCHIA interim evaluation, and finally begin to set criteria for prioritization of the diverse strategies the Council has developed.

It's a packed agenda and we look forward to your participation.

See attached for full agenda.
