Hello Council Participants -

The October meeting will be this **Wednesday, October 19, 2005, from 9:00AM to 11:30AM, at the Goodwill Conference Room** (1500 Mission Street). See attached agenda for details.

This is an important meeting where we will begin evaluating a number of the policies the Council has suggested to create healthier communities. Staff has been researching the policies and developing two-page policy briefs for the Council to begin critiquing using the criteria agreed on at the September meeting. Attached are the draft policy briefs to be reviewed at Wednesday's meeting. If you have any questions, please contact us.

It's critical to have diverse and numerous view points and perspectives on each policy. We hope you can attend the meeting.

Let me know if you are unable to make the meeting.
