Additional comments/examples:

- | | | | |
|--|------------|-----------|-------------|
| 7) The ENCHIA process was managed effectively and efficiently? | Yes | No | Some |
| a. The initial goals of the process were reasonable and achievable? | Yes | No | Some |
| b. The process set realistic time frames and worked efficiently? | Yes | No | Some |
| c. The process valued your input? | Yes | No | Some |
| d. The process made credible efforts to be as inclusive as possible of different interest groups and points of view? | Yes | No | Some |

Additional comments/examples:

8) Was the process responsive to your needs and concerns in the following areas?

a. Meeting times and locations	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>
b. Facilitation of meetings	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>
c. Your information needs	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>
d. Evolution of project goals	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>
e. Evolution of the process	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>
f. Evolution of products	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>
g. Accountability	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>
h. Transparency	<i>Very responsive</i>	<i>Somewhat responsive</i>	<i>Not responsive</i>

Additional comments/examples:

9) How has your participation in ENCHIA affected the following?

a. Your relationships with other organizations you did not formerly work with?	<i>Improved</i>	<i>Stayed the same</i>	<i>Gotten worse</i>
b. Your relationships with other City agencies?	<i>Improved</i>	<i>Stayed the same</i>	<i>Gotten worse</i>
c. Your capacity to participate in land use planning processes using public health evidence?	<i>Improved</i>	<i>Stayed the same</i>	<i>Gotten worse</i>

Additional comments/examples:

10) To what extent do you/your organization find the following ENCHIA products useful for your work?

a. Health language and arguments	<i>Very useful</i>	<i>Useful</i>	<i>Somewhat useful</i>	<i>Not useful</i>
a. Data, indicators, and maps	<i>Very useful</i>	<i>Useful</i>	<i>Somewhat useful</i>	<i>Not useful</i>
b. Community assessment	<i>Very useful</i>	<i>Useful</i>	<i>Somewhat useful</i>	<i>Not useful</i>
c. Policy and strategy research	<i>Very useful</i>	<i>Useful</i>	<i>Somewhat useful</i>	<i>Not useful</i>
d. Healthy Development Tool	<i>Very useful</i>	<i>Useful</i>	<i>Somewhat useful</i>	<i>Not useful</i>
e. The ENCHIA approach to planning	<i>Very useful</i>	<i>Useful</i>	<i>Somewhat useful</i>	<i>Not useful</i>

Additional comments/examples:

11) In your opinion, what impacts has the ENCHIA process had on the following?

a. Eastern neighborhoods planning	<i>Definite impact</i>	<i>Some impact</i>	<i>None</i>	<i>Hard to tell</i>
b. Other land use plans, projects, policies	<i>Definite impact</i>	<i>Some impact</i>	<i>None</i>	<i>Hard to tell</i>
c. City agencies	<i>Definite impact</i>	<i>Some impact</i>	<i>None</i>	<i>Hard to tell</i>
d. Legislators consider health in planning	<i>Definite impact</i>	<i>Some impact</i>	<i>None</i>	<i>Hard to tell</i>

Additional comments/examples:

12) What 3 words or phrases would you use to summarize your feelings/thoughts of ENCHIA?

THANK YOU!!!!
