Council Participants,

The next ENCHIA meeting is Wednesday, May 18th from 9AM - 11:30AM at the Goodwill Conference Room (1500 Mission Street).

This is going to be a busy meeting where we'll begin to analyze the impacts of development on the objectives of a healthy community. We really appreciate you arriving on time so we have enough time to get input from all members and have a rich discussion on the objectives and data presented. See attached agenda.

Please let me know if you will not be able to make the meeting.

Thank you,
